

MAHARASHTRIYA SHIKSHAN SANSTHA'S

B. S. Bane International School - Thane

Annual Report

(2024-25)

The academic year 2024-25 has been an enriching journey marked by a blend of academic excellence, creative activities, environmental initiatives, and community engagements. Our school has consistently strived to foster holistic development in students, ensuring they excel in both scholastic and co-scholastic domains. Below is a comprehensive overview of our achievements, activities, and initiatives for the year.

Activities Conducted as per School Calendar

April

- Linguistic Manifestations: The “Green Walk” activity encouraged students to showcase eco-friendly dress designs integrated with English and EVS themes.
- My Colours Get Vocal: A creative platform for students to express their understanding of colours by Pre-primary students.
- Quick Quizards: An inter-class quiz competition held for Grades I and II, promoting teamwork and intellectual engagement.

July

- Green Talks: Discussions on environmental awareness and sustainable living practices.
- Little Master Chefs: Culinary creativity from Grades 1 and 2, integrated with EVS and GK.
- Performing Arts (Saturday Club): Focused on developing artistic talents.
- Leaf Design Painting and Poster-Making Competition: Activities fostering artistic expression and awareness of nature.
- Quiz O’Mania and Little Einsteins: Quizzes and science-based activities stimulating curiosity and innovation.

August

- Linguistic Manifestations: Activities like “Show & Tell,” “Role Play as a Bird/Animal,” and “Vocabometer” enhanced English and Math skills.
- Proverbial Gestures: Students narrated stories using proverbs, enriching their linguistic abilities and moral understanding.
- Performing Arts (Saturday Club): Students explored storytelling and role-playing skills.

September

- Linguistic Manifestations: Activities included “Show & Tell,” Poem Recitation with actions, and Writing Skills, focusing on Hindi and Marathi languages.

- Saturday Club: Encouraged students to refine their writing abilities.

November

- Linguistic Manifestations: Students participated in skit performances, fostering creativity and collaboration.
- Saturday Club: Continued to support writing and performance skills.

December

- Mathemania: Students engaged in Mental Math Quizzes and Math Games to enhance analytical thinking.
- Saturday Club: Integrated writing skills with performance arts.

Academic Achievements

Our students demonstrated remarkable performance in various competitive exams:

- IEO: 19 participants.
- SOF (SCI): 20 participants.
- IMO: 21 participants.
- SBDS: 38 participants.

A special achievement includes Anvi Rodia from Grade 4, who secured 2nd Runner-Up in the International Abacus Championship.

Environmental Education Initiatives

- World Earth Day (April): Students pledged to avoid using polythene bags, opting for cloth bags instead.
- Van Mahotsav Saptah (June): Students participated in tree plantation drives and attended environmental awareness sessions through presentations.
- Water Conservation: Discussions on water conservation were conducted during Value Education classes. The Student Council monitored water usage and educated peers on its importance. The school also implemented rainwater harvesting systems.

Sports Achievements

Our students excelled in the Sports For All Boxing Championship 2024-25, winning:

- 2 Gold Medals: Aditri Gupta and Dev Jadhav.
- 5 Silver Medals: Suhani Pawar, Mahiti Rewale, Aayushi Jadhav, Swaraj Joshi, and Ghanshyam Bhuriya.
- 1 Bronze Medal: Swaroop Kale.
- School has been awarded the Best School for Boxing at the SFA Sports For All Championship 2024

Innovations

The school introduced the **Sacchi Kamai project** to inculcate values of hard work and savings. Students from Grades I to VIII performed daily household chores and recorded their efforts. Parents rewarded them with ₹2 for each task, promoting financial literacy and appreciation for parental efforts.

PTA Activities

- PTA meetings were conducted quarterly, ensuring active parent participation.
- During Sports Day, PTA members inaugurated the event.
- Parents donated stationery and grains during Diwali, which were distributed to Ma Niketan Orphanage by teacher and parent representatives.

SMC Decisions

- The SMC Chairman directed the Principal to organize teacher workshops in April. A three-day's workshop was conducted in June to enhance teaching strategies.
- The school calendar received SMC approval, emphasizing safety and security measures.
- Principal Mrs. Rupali Mandlik ensured the monitoring of CCTV, teacher floor duties, and the installation of suggestion boxes to address safety concerns.

The year 2024-25 was an eventful and successful one, showcasing the dedication and collaborative efforts of our students, teachers, and parents. With unwavering commitment, we aim to continue fostering an environment of excellence and holistic growth in the years to come.

Rupali Mandlik
