Report

The Academic Year 2025–26

The Academic Year 2025–26 at B. S. Bane International School, Thane was a year of growth, achievement, and meaningful learning. Guided by our commitment to holistic education, we continued to nurture confident, disciplined, and future-ready learners through academics, sports, creativity, and values.

Our students brought immense pride to the school through exceptional performances at district, state, national, and international platforms. In Jeet Kune Do Championship 2025, students including Jasmine Nadar, Siddhi Gajra, Manvi Lohe, Danan Patil, and Shreeram Shetye showcased remarkable excellence.

At the Thai Boxing Mumbai Zone Championship, our young achievers secured multiple medals, with Aadya Tambitkar, Harshit Chavan, Manvi Lohe, and Aditi Gupta winning Gold, while several students earned Silver and Bronze medals through determination and sportsmanship.

Adding to this success, Aditri Gupta (Grade 6) earned recognition at the 23rd Open International Sports Jeet Kune Do Championship, while our students also excelled at the DSO District Kickboxing Tournament, where Shraddha Shinde and Faez Malik secured Gold medals. Special appreciation goes to Devya Tiwari, who achieved Gold in the Musical Form Event.

Creativity and expression continued to flourish through participation in literary and cultural competitions, with students receiving recognition in handwriting, essay writing, and drawing events.

At B. S. Bane International School, every achievement reflects our belief that education goes beyond academics—shaping individuals who are capable, compassionate, and prepared to lead with confidence.

Together, we celebrate excellence, inspire growth, and create brighter futures
